

Ithaca Freeskool

Winter/Spring 2008
February 1st – April 30th

Ithaca Freeskool is a decentralised, interactive skillshare network that goes beyond the institutions of capitalism and the state. Classes, discussion groups, skill shares, projects, and events hosted in a variety of environments. We are all students, we are all teachers.

Questions, ideas, etc?

E-mail us at ithaca_freeskool@riseup.net

Ithaca_Freeskool@yahoogroups.com

For information about teaching a class - or to get updates on current classes, guerrilla workshops and events, check our blog:
