Summertime Resistance and Grassroots 'call to action'

Facilitator: Ryan Clover

Contact: clover56@riseup.net

Dates and Time: June 11, 6 - 9pm

Location: GhostCat Co-op - 514 N. Aurora St.

This summer is fired UP with resistance! Come get info and updates about various environmental justice and liberation struggles in North America and how you can get involved. We will be focusing on conferences, gatherings, and grassroots movements that have invited autonomous participation or posted some sort of 'call to action' for the summer. This will be a multi-media presentation; zines, video shorts, music, etc.
